

**Research Question:** RQ2.3 Are the identified causes specific or shared among different types of debt?

**Goal:** Identify shared and isolated causes among types of debt

**Expected Result:** - List of shared and isolated causes

**Necessary Files:** RQ2\_Analysis\_COUNTRY-NAME\_Execution\_Causes.xlsx

### Analysis Procedure

In this analysis, it is necessary to associate the cause with the type of debt. To do this, we must obtain the list "ALL Cited Causes (Q16-Q18)" and sum up which causes are associated with one (isolated) OR more than one (shared) type of debt.
